ARTICLE V
PURPOSES

The purposes for which the Corporation is organized and will be operated are as follows:

a) The Building Technology Educators Society, Inc. (BTES) is an organization of architectural educators, passionate about teaching the technology of building design and construction. The mission of the BTES is to promote and publish the best pedagogic practices, relevant research, scholarship, and other creative activity to facilitate student learning, advance innovation, and enhance the status of our disciplines in the profession at large. To achieve this mission, the BTES seeks to:

- Promote and share the best architectural technology teaching practices among all who are concerned with effective teaching in these subject areas.
- Promote critical discourse and the scholarship of teaching on issues related to pedagogic theory in architectural technology, with peer-reviewed publications of its work for public dissemination.
- Enhance the mentoring process among faculty, students and practitioners for the enrichment of all involved and for the
